

## Next Steps

Over the coming weeks we will analyse the feedback from our consultation event and other feedback mechanisms and these details will help to shape the final design of the ERF.

Once the planning application is submitted, there will be a statutory 28 day period for representations to be made to the council from interested parties.

## Have your say

Your feedback is important to us. We would be grateful if you could spare the time to fill in our feedback form today and return it to a member of our team before you leave. Alternatively, there is an online version available at [www.broadenergywales.co.uk](http://www.broadenergywales.co.uk).

Please return your feedback by 31 December 2016
